About the workshop: This is a faculty developmental workshop. The present workshop focuses on how to handle QGIS 3.0 or above version (both theoretical and hand to hand practical). Based on revised CBCS syllabus this workshop will be covered - Georeferencing of Scanned Maps, Preparation of FCC using IRS LISS-III and/or Landsat (ETM+) data, Preparation of LULC Map by Supervised Image Classification using IRS LISS-III or Landsat (ETM+) data, unsupervised image classification, Digitisation and Preparation of Thematic Map and on field GPS training.

The maximum **sitting capacity is 25**. We select on the basis of '**first come first service**'.

How to reach: From Suri Bus stop to Birbhum Mahavidyalaya by *toto* 5 minutes and from Suri Railway station to Mahavidyalaya 10 minutes by *toto*.

Who can apply: The main focus of this workshop is to develop the knowledge of QGIS among the faculty members. We only entertain the faculty members (Full Time, Part-Time or Guest Lecturer) from colleges or universities.

Training and lectures will be delivered by the QGIS experts from- **Prantik Care the Earth Geo-Info Solutions Private Limited.**

Important notes:
*Participants are requested to bring their own laptop.
*No TA or DA will pay from our side.
* Participants are requested to arrange their own accommodation.
Registration fees- Rs.500 only (including kits, tea & lunch).
