Resolutions adopted:

It is hereby resolved that the student's socio economic survey report has been successfully presented by the PCTE representative. The demonstration was done in a very lucid language and every member appreciated the presentation. A large number of students were observed and interviewed in this survey through face to face interaction. Another round of survey will be done in future.

In misc it is decided that student satisfactory survey will be done through google.docs form. It is also decided that each department will conduct this survey under the supervision of IQAC coordinator.
